

A Feast of Features

LOAD UP YOUR PLATES THIS THANKSGIVING WITH ALL OF OUR FEATURES. GOBBLE! GOBBLE!

Data Migration

Don't pay an arm and a turkey leg transferring all your data. Inspect Point's technical team can handle all your data migration from your existing platform.

Recurring Inspections

The pilgrims wish they had it this easy. With Inspect Point, set your service frequencies up front so you never miss an inspection. Easy as pie!

Life Safety Equipment

Our platform is stuffed with workflows. Inspect fire sprinklers, alarms, extinguishers, emergency and exit signs, fire pumps, and more!

World-Class Support

Sleep well after your Thanksgiving meal with Inspect Point. Our world-class support team proactively reaches out to you and helps every step of the way so you don't have to worry.

Trust The Experts

Trust the experts with your Thanksgiving recipes and inspections. We are fire & life safety specialists with deep expertise. We know how to keep you safe. Just don't deep fry your turkeys!

Joint Commission & More

Thanksgiving is all about bringing people together. Inspect Point handles Joint Commission and a variety of jurisdiction forms throughout the US and Canada.
